Madison, WI - Chocolate Shoppe Ice Cream Company, Inc. is recalling select ice cream products, because they were made with a chocolate chip cookie dough ingredient supplied by Aspen Hills, Inc., which has the potential to be contaminated with *Listeria monocytogenes*.

Listeria monocytogenes is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

The ice cream products were distributed to the following states AL, AZ, CO, CT, FL, GA, IA, IL, IN, KS, KY, LA, MI, MN, MO, ND, NE, OH, OK, PA, SC, TX, WA, WI & WV. The ice cream products were distributed to various ice cream shops around the country, online outlets and limited grocery stores.
