The products subject to recall bear establishment number “EST. 5385 or P-5385” inside the USDA mark of inspection. These items were shipped to retail locations and/or for institutional use in California, Minnesota, New Jersey, New York and Washington.

The problem was discovered during a Food Safety Assessment conducted by FSIS personnel.

There have been no confirmed reports of illness or adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at www.fsis.usda.gov/recalls.

Consumers and members of the media with questions about the recall can contact Igor Denisenko, Gaiser’s European Style Provision Inc.’s plant manager, at (908) 686-3421 [Error! Filename not specified.](#)

*** We believe that none of the products being recalled were processed or offered through the national office.**
