Announcement

Recall due to National Frozen Food's recall on frozen peas

MINNEAPOLIS – General Mills today announced a voluntary recall of a limited quantity of frozen Beyond Meat Vegetarian Indian Curry with Beyond Chicken, produced over seven days in April 2016. This product is available exclusively at Whole Foods. The recall is being issued as a precaution after the producer of frozen peas used as an ingredient in this product issued a national recall for the potential presence of *Listeria monocytogenes*. General Mills has not received any reported consumer illnesses related to this issue. General Mills produces and distributes this product under license from Beyond Meat.

This voluntary recall is limited to only one variety of frozen Beyond Meat product — Vegetarian Indian Curry with Beyond Chicken — and only with the following “Better if Used By” dates printed on the package:

10NOV2016 NL	16NOV2016 NL	25NOV2016 NL
12NOV2016 NL	20NOV2016 NL	
15NOV2016 NL	24NOV2016 NL	

Consumers are urged to dispose of the products affected by this recall and call General Mills Consumer Relations at 1-800-754-9061 if they had product covered by this recall and need a replacement.

*** We believe that none of the products being recalled were processed or offered through the national office.**

* We strongly encourage you to notify your agencies within one business day from receipt of this notice.

* ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.

* For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.
