Herr Foods Inc. is announcing a voluntary recall of Smoked Chipotle flavored Kettle Cooked Potato Chips under the Herr's Brand and Smoke Dried Chipotle flavored Kettle Cooked Potato Chips under the Peddler's Pantry Brand. These products were flavored with Chipotle seasoning that contained a milk ingredient manufactured by Valley Milk Products LLC. The milk ingredient is being recalled due to a potential risk of *Salmonella* contamination.

Salmonella is an organism that can cause serious and sometimes fatal infections in young children, elderly people, and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea, nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the blood stream and producing more severe illnesses such as arterial infections, endocarditis and arthritis. Although no lab tests have confirmed the presence of *Salmonella* in these products and no illnesses have been reported, Herr's is voluntarily issuing an immediate recall of these products in conjunction with FDA guidance with an abundance of caution and with adherence to strict quality standards of Herr Foods Inc.

Product was distributed nationwide through grocery and other retail stores. These products were sold as individual bags. No other 'Herr's' products are involved with this recall.

The UPC number is located at the lower right hand corner of the back panel of the package. Customers and consumers who have purchased the recalled product should not consume them and should return them to the retailer where they were purchased for a full refund. Herr Foods and other retailers are removing recalled product from the retailers' shelves. As a result, consumers can be assured that all other Herr's products that remain on-shelf are safe and not subject to this recall. Consumers with questions may call 1-800-523-5030. Live assistance is available 9am- 5pm EST Monday through Friday.

*** We believe that none of the products being recalled were processed or offered through the national office.**
