## Announcement

Legendary Baking of Denver, CO, is recalling its 34 ounce packages of Private Selection Salted Caramel Chocolate Almond Pie because the almonds and eggs were listed under “may contains” instead of “contains”. People who have allergies to almonds and eggs run the risk of serious or life-threatening allergic reaction if they consume these products.

The recalled Private Selection Salted Caramel Chocolate Almond Pies were distributed in Kroger, Fry’s, and Smith’s retail stores in the following states: AL, AZ, GA, IL, IN, KY, MI, NM, OH, SC, TN, and WV.

The product comes in a 34 ounce, clear plastic package dome with a black plastic bottom base and is marked with lot # CH17025 on the side of the clear plastic dome.

No illnesses have been reported to date in connection with this problem.

The recall was initiated after it was discovered by the manufacturing facility that the almond and egg-containing product was distributed in packaging that did not have the correct product ingredient statement and allergen declaration. Subsequent investigation indicates the problem was caused by a temporary error in the packaging processes.

Consumers who have purchased 34 ounce packages of Private Selection Salted Caramel Chocolate Almond Pie are urged to return them to the place of purchase for a full refund should they have allergen issues.

Consumers with additional questions and concerns may contact Legendary Baking at 1-844-617-8238 Monday-Friday 8a-5pm CST.

**\* We believe that none of the products being recalled were processed or offered through the national office.**
