East Hanover, N.J. – Mondelez Global LLC announced today a nationwide voluntary recall in the United States, including the U.S. Territories of Puerto Rico, St. Croix and St. Thomas, of certain Oreo Fudge Cremes product, Original and Mint varieties, due to milk allergen not being declared in the ingredient list.

Mondelez Global LLC is taking this action out of an abundance of caution. Consumers may be informed about the potential presence of milk by an allergen advisory statement already included on the label (“Manufactured on equipment that processes milk...”). People who have an allergy or severe sensitivity to milk run the risk of serious or life-threatening allergic reaction if they consume this product.

The following product is being recalled:

Description	Retail UPC	Best When Used By Dates
Oreo Fudge Cremes, Original variety (11.3 oz package)	0 44000 02694 3	19 AUG 16
		20 AUG 16
		14 SEP 16
		13 OCT 16
		14 OCT 16
		17 OCT 16
		(see code date on bottom left corner on back of package)
Oreo Fudge Cremes, Mint variety (11.3 oz. package)	0 44000 02696 7	20 AUG 16
		21 AUG 16
		14 SEP 16
		15 SEP 16
		16 SEP 16
		17 OCT 16
18 OCT 16 (see code date on bottom left corner on back of package)		

This recall is limited exclusively to this Oreo Fudge Cremes product, Original and Mint varieties, sold in the U.S., including the U.S. Territories of Puerto Rico, St. Croix and St. Thomas, and no other products are included in this recall. To date, one report of an allergic reaction has been received related to the above-listed “Best When Used By” dates. This recall is a result of analysis conducted by the FDA related to this product.

Consumers who have this product should not eat it and should discard any products they may have. Consumers can contact the company at 1-855-535-5948 [Error! Filename not specified.](#), 24 hours a day to get more information about the recall, and Consumer Relations specialists are available Monday – Friday, 9 a.m. to 6 p.m. ET.
