The product was distributed to retail stores in the last two weeks.

The company announced the recall after receiving consumer reports of plastic in product. One injury was reported. FDA has been notified on this voluntary recall.

All recalled products are being removed from store shelves. No other Entenmann’s products are affected.

Consumers who have purchased the recalled product should dispose of it or they can return the product to its place of purchase for a full refund. Consumers with questions may contact the company at 1-800-984-0989 at any time 24 hours a day.

*** We believe that none of the products being recalled were processed or offered through the national office.**

* We strongly encourage you to notify your agencies within one business day from receipt of this notice.

* ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.

* For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.
